SYSTEMD-BLESS-BOOT-GENERATOR(8)systemd-ble^ss-boot-generatorSYSTEMD-BLESS-BOOT-GENERATOR(8)

NAME

systemd-ble^ss-boot-generator - Pull systemd-ble^ss-boot.service into the initial boot transaction when boot counting is in effect.

SYNOPSIS

/lib/systemd/system-generators/systemd-ble^ss-boot-generator

DESCRIPTION

systemd-ble^ss-boot-generator is a generator that pulls systemd-ble^ss-boot.service into the initial boot transaction when boot counting, as implemented by systemd-boot(7), is enabled.

systemd-ble^ss-boot-generator implements systemd.generator(7).
