

How to add an “End Screen”?

- This steps only works using a Web browser, it will not work on the YouTube Studio App.
- Use a Web browser like Chrome:
<https://studio.youtube.com/>
- If not login to your profile, login first.
- Now, you are logged and are at your “Dashboard”.

The screenshot shows the YouTube Studio Channel dashboard. The left sidebar menu is highlighted with a yellow circle, and the 'Content' option is highlighted with a yellow box. The main dashboard area shows 'Latest video performance' for 'PYTHON TIPS & TRICKS', 'Channel analytics' with 251 subscribers, and 'News' with a 'Your Monthly Roundup is here!' notification.

- Click on the “Content” and you will be here:

Title (required) ⓘ
Python Tips & Tricks

Description ⓘ
Python Tips & Tricks
To demonstrate Python Tips and Tricks
Using Python Command Line arguments 'python -c python-statement-and-suite', Python Interpreter to get help on a range of objects (dir()) and view the help(dir(item)) where an item is a double underscore magic method or a python property, python method, etc. As well as how to clear the console using os.system('clear|cls') where clear is for os.posix platform and 'cls' is for os.nt platform covering all Mac OS X, Linux/UNIX, and Windows platforms. Python print('\n', * 50) or Python for statement can also be used without importing the os module.

- **Select the last video you just posted by clicking on the checkbox near the thumbnail, and near the right of the thumbnail, there is**

a pin icon which shows when you mouse over that area.

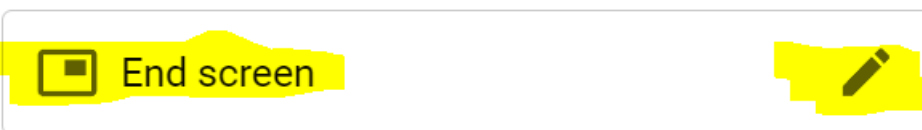

- The pin icon is visible if you have not selected the video like the below second video, but the video you have selected with check box, is ready for you to mouse over that area and the go to details once the pin shows up. Click on the pin to go to the details for the select video.

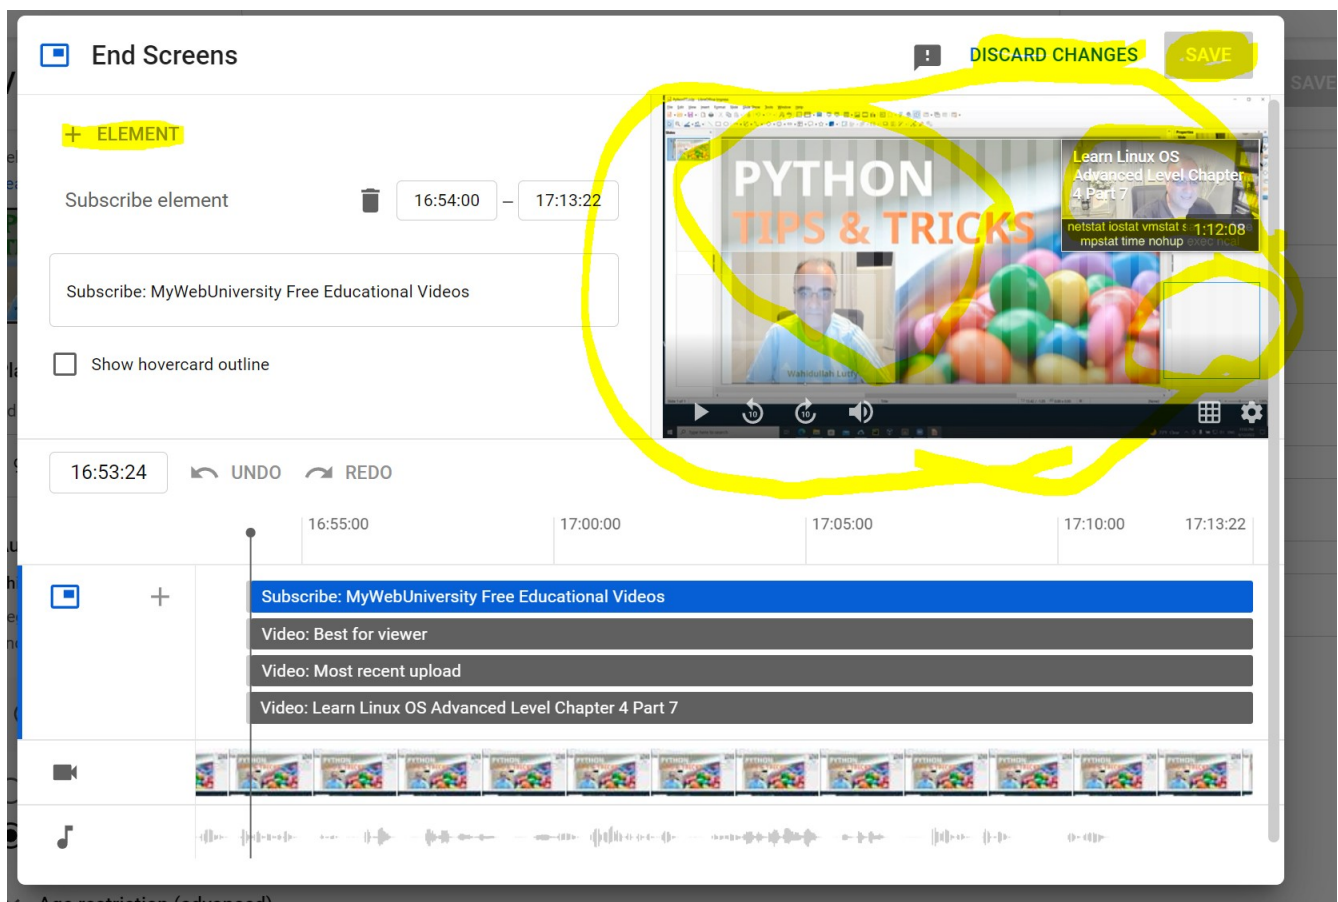

N
S.

en as

- **After clicking on the pin for the End Screen you will have the below screen:**

- **In the above Screen you select videos, playlist subscription, and channels as you wish by simply clicking the + Element and select a couple of the Videos and a Playlist, and subscription. What you select shows up**

to the right and if you are good with that click SAVE to save your changes, you can click on Discard Changes if you don't want to make changes, otherwise you save. You can go back to it and double check yourself to make sure you have at least the subscription one or two videos and a playlist, then save it and you are all good with the End Screen.
