

### *Windows PowerShell Get-Help on Cmdlet 'Get-WindowsDeveloperLicense'*

***PS:\>Get-HELP Get-WindowsDeveloperLicense -Full***

#### NAME

Get-WindowsDeveloperLicense

#### SYNOPSIS

Provides information about Developer Mode for the current computer.

#### SYNTAX

Get-WindowsDeveloperLicense [<CommonParameters>]

#### DESCRIPTION

The Get-WindowsDeveloperLicense cmdlet provides information about whether you enabled Developer Mode for the current computer. You no longer need a developer license.

Therefore, there is no longer an expiration date for a developer license. For more information, see Enable your device for development

(<https://msdn.microsoft.com/en-us/library/windows/apps/xaml/dn706236.aspx>)

(<https://msdn.microsoft.com/en-us/library/windows/apps/xaml/dn706236.aspx>)in the Microsoft

Developer Network library.
