NAME

       Lintian::Tutorial −− The newcomer's guide to Lintian

SYNOPSIS

       Getting started with lintian in 5 minutes... maybe 10.

DESCRIPTION

       Depending on what you want to work with there are different ways to approach Lintian and its code.

- Writing a Lintian check

- Running (parts of) the Lintian test suite

- Writing new Lintian tests

- Understanding Lintian

       To be written.
