SQL & DATABASES

PART 13 OF 13

A Tour of MyWebUniversity: Videos, the Free Book, Man-Page PDFs and site: Search

A tour of the free resources: the English and Dari channels, the free book's chapters and practice pages, man pages as PDFs with Ctrl+F https to reach the official docs (Ruby, zsh, Node), and searching with Google's site: operator, like a database query.

0:00	The Dari channel
0:55	The free book: videos by chapter
1:51	Practice commands online
2:19	Man pages as PDFs
2:51	Ctrl+F https: official docs
3:54	Ruby, zsh and Node docs
6:57	Searching with Google
10:04	site:mywebuniversity.com
11:32	Search is a database query too
12:49	Thank you, and join the channel

COMMANDS SHOWN IN THIS PART

```
$ site:mywebuniversity.com python
$ site:mywebuniversity.com mysql
```
